

T-Shirt Contest

We will be having our annual T-Shirt contest, open to any team that is bringing a team T-shirt never previously entered in the National T-shirt contest. Prizes will be awarded to the shirts with the most votes.

Teams can submit shirts for entry by dropping them off at the T-shirt contest table Thursday night or Friday morning and filling out the simple form. Shirts must be picked up on Saturday AM. Voting will begin on Friday morning, after the first match of the event has begun, and will end Friday night when the people staffing the table go home.

Every person attending the Festival is encouraged to submit one ballot, picking their 3 favorite shirts. However, no one is allowed to vote for a T-shirt from their own church. Illegible ballots, incomplete ballots or ballots where the same shirt is voted for more than once will be voided.

This has become a fun part of the National Festival each year, and we hope you will support it again this year by bringing your shirts and voting!!
